*(July 28, 1991 - May 25, 2007)*

*Be open to your dreams, people. Embrace that distant shore. Because our mortal journey is over all too soon.*

*David Assael*

This memorial website was created to remember our dearest **Lucas R Lavoie** who was born in the **United States at Cary Medical Center** on **July 28, 1991** and passed away on **May 25, 2007**. You will live forever in our memories and hearts.

*-- I thought of you with love today. But that is nothing new, we thought about you yesterday and the days before that too. I think of you in silence, we often speak your name, all we have is memories and your picture in a frame. Your memory in our keepsake with which I'll never part. God has you in his keeping, we have you in our hearts! --*

*\* Weep not for me now that I have passed remember the laughter, the affection, the joy not just the recent dreams, hold fast to the love we shared. Be happy with the time we spent together and being anew. For I am not really gone, I am closer than ever before. As the morning sun rises, and throughout the busy day... I am with you. Until the setting sun disappears on the horizon and we watch the day turn into night,,, I am here. You may feel a fair breeze stir round your head, while you slumber as I gently kiss your forehead, "goodnight" The stars that shine so brightly in my heavenly sky help me watch over you and keep you from harm. I am the wind in the trees and the song of a bird. I am moon behind beams in a midnight sky and glorious rainbow after the storm. I am a butterfly flying overhead and a puppy happily at play. I am a smile on a stranger's face a gentle touch a warm embrace. Listen to the wind for my message of love. My essence encircle you with warm memories. Open your heart to know... I am not gone, Reach deep into your soul,,, you will find me. I am here, Have*

*No Fear,I Am With You Always, And You All Know How Much I Deeply Love You. REMBEMBER I AM HERE. \**

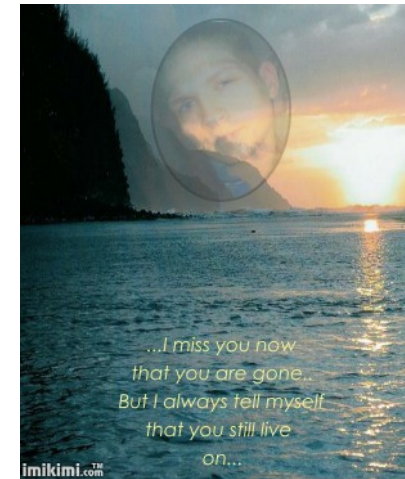

*- The sky has a bright star brighter then all the others by far, I can see it night or day, I know it's you, showing me my way helping us travel through our grief, it doesn't matter what others say, it is you that is our belief. Keep shining bright for us my son, until our time on earth is done. Then you can meet us at heaven's door, and we will hold you in our arms once more, the sky has a bright star, brighter then all the others by far. -*

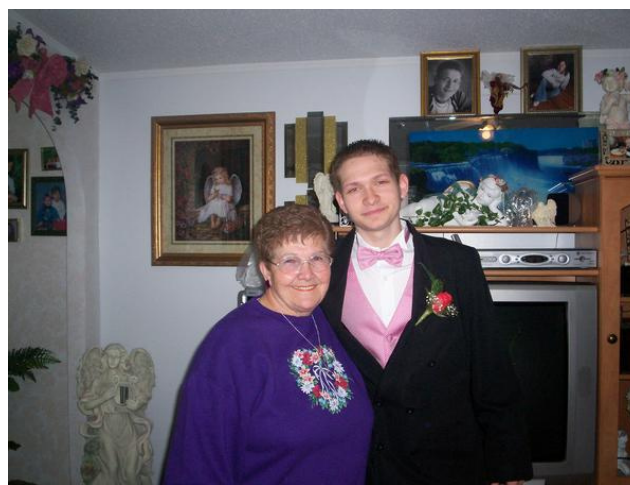

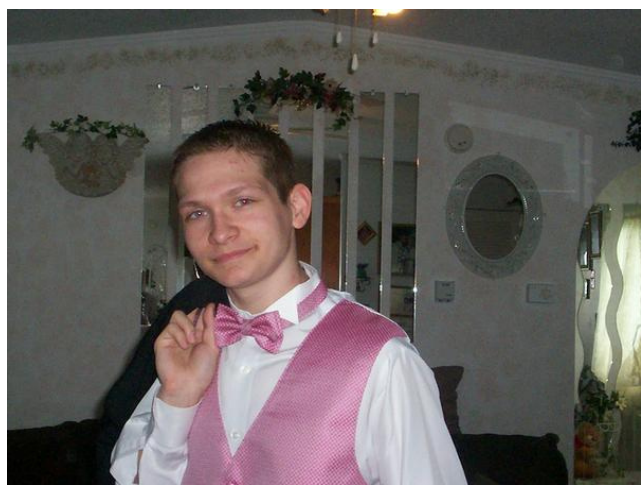

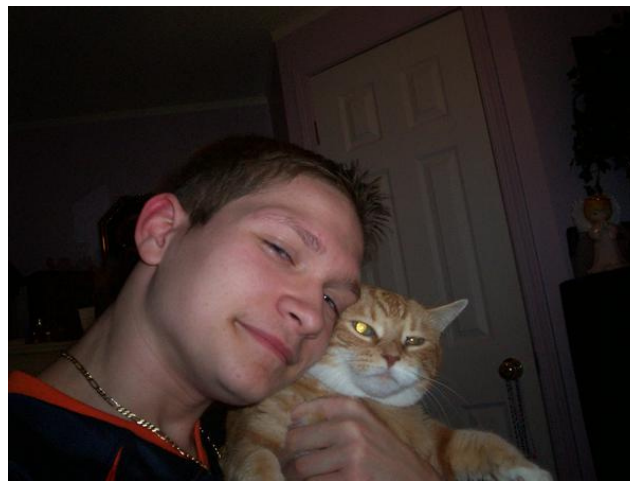

The background is a textured, mottled olive-green or taupe color. In the upper right quadrant, there are two roses. The one on the left is smaller and more tightly closed. The one on the right is larger and more open, showing more of its petals. Both roses are rendered in a slightly darker shade of the background color, giving them a subtle, embossed appearance.

## ***Mindy Lavoie***

Memories? There are so much. We use to fight. But we got over it quicker then you can say boo! He was a caring little boy! Put other's first and etc. I did my best to protect him. What are sisters for! I could write down all our memories on here. But I just can't. No one would possibly understand! All I can say is, Luke was the kind of boy that you should have known!

As the days go one, I promise you, in my heart is where you'll stay!

I love you!!!

## ***lucas lavoie***
